Making The Journey: Residential To The Modern Home This is a wrap on the journey so far! This build is now live in my house it is my first attempt at a "modern" or contemporary home. It is so much fun and very therapeutic. I use this opportunity to better my skills of 3D modeling and working with the Autodesk Fusion360 workflow. So easy to use and easy to follow. I would love to make more home design videos with this workflow. If you found this video useful please share it with your friends and family. Videos so far...
