With more complete and authoritative coverage of basic science, clinical practice in adult and pediatric dermatology, dermatopathology and dermatology. Jean L. Bologna, Julie W. Shaffer and Lorenzo Cerroni Bring Their Files. Rook's Textbook of Dermatology 9E is the complete reference book for dermatology. It consists of two parts: the first is a complete description of dermatopathology at two levels: adult and pediatric, as well as dermato-oncology. The second part is a complete overview of current knowledge about skin diseases, divided into fundamental and clinical aspects, with a description of each of them. This guide to clinical dermatology and dermatopathology is intended for dermatovenereologists, pediatricians, internists, general practitioners, family physicians, and other physicians.
