Dirt 3 English Language Files 36 \_VERIFIED\_

[Download](#)

---

The enactment was not properly within the District's police power. The concededly vulgar language contained in the broadcast was the product of a concert and all persons equally had a First Amendment right to hear it. The Constitution does not permit the Commission to find this kind of material to be obscene and regulate it accordingly. Nor does the Constitution permit the Commission to use the force of law to cause the forfeiture of a radio broadcasting license. The Commission's action is contrary to the First and Fifth Amendments, the equal protection clause, and the prohibition of ex post facto laws. The District Court's order (1) enjoining the Commission from enforcing its ruling; (2) denying the Commission's motion for summary judgment; and (3) granting the appellee's motion for summary judgment, is, therefore, reversed." if you are here, you have been redirected from an unofficial english language patch for the game. the patch has been released by the game's developers and is free for everyone to download. you can find the patch here: the purpose of this section is to provide translations for the english language files that are distributed with

---

the game. note that these files may be different than the one that you are using to play the game as the translations are not kept in sync with the english language files. if you want to modify a translation, you need to re-download the english language files from id's website and then open the file. once you have the text file open, go to the translation and modify the translation. all changes you make to the english language files must be saved first in the game using the file->save to save changes menu item. then you can re-open the english language translations and use the previous translation you made for the modification.
